

September 1, 2022

Welcome, September!

The fall session will begin during the week of September 20, allowing time for students and parents to settle in to school and varying schedules. Available times are posted on the calendar.

All lessons are scheduled for 30 minutes. If you wish a 45- or 60-minute lesson, please let me know when you sign up for your lessons and I will make the necessary adjustments.

A regular schedule of lessons is important. Weekly is preferred. If, however, you wish to come twice a month, or even once a month, please consider a 45- or 60-minute lesson. Students studying both voice and flute should plan on 45 or 60 minutes/session.

The calendar will show times available through June 2023, but you don't need to and probably shouldn't schedule the entire school year! 2-3 months is a good time frame. If you're not ready to take lessons now, the calendar is always available to you. I am notified whenever someone adds/changes something, so you don't need to notify me – unless you want to. My schedule is apt to change as well, and I will update the calendar/notify you accordingly.

Kindly take a moment to review the "[Lesson Information](#)" page – recently updated.

As always, if you have any questions, or if no available times "work" for you, let me know.

If you know of anyone who might be interested in studying beginning/intermediate voice and or flute, please have them contact me through the website (www.r2rent.com). Thanks!

I look forward to seeing you soon!
