

M & W	We had a wonderful experience with Malen being our officiant! She did exactly as we asked and made our day very special.
Tim & Christine McCluskey	 Malen was the highlight of our wedding! I wouldn't have else! She's extremely organized, compassionate, humorous and sincere. She's simply the best.
Jordan & Ted Dundas	Malen was an amazing officiant to my husband and I on our very special day. Professional, prompt and a good joke teller too, she is everything you and your partner want on the day you decide to get married. We could not be happier with how she led our wedding day.
Chrissy & Terry Drew	Dear dear Malen! I cannot sing my praises for Malen enough. We had envisioned someone like Malen to marry us and when we found her we were over the moon. She was so kind, and caring. We had no idea where to start with our ceremony, and she completely put our mind at ease every step of the way. We had several phone calls and zoom meetings with her prior to our wedding day. She gave wise advice, and it genuinely felt like she cared about us as people. She did everything in her power to include our son, and our family in our ceremony. She now feels like part of our family. We will forever be grateful to her.
John & Grace Barba	We had a beautiful and special ceremony renewing our vows at Otter Point in Acadia National Park. We were truly blessed to have Malen Hsu as our officiant. She was extremely helpful, professional and organized. It was stress free and we could enjoy the moment. The location and the words she chose were perfect. It was truly a magical moment for us. A million thanks to her!
K & J	We were very pleased to have our service done by you. Thank you for allowing us to come last minute we really appreciate you and your professionalism.
Katie & Stephen	Malen was a wonderful officiant and guided us through the process/service very well. She was genuinely excited to be a part of our ceremony, which was touching! She was easy to work with and we appreciated how organized she was as well. Thank you!
MJS	We absolutely LOVED Malen's ceremony. It was so sweet, meaningful and heartfelt. She even quoted Mr. Rogers who we love, of course! I highly recommend asking Malen to be part of your special day.
LS	Wow! I honestly cannot say enough great things about Malen. She was detailed, genuine, and also tailored the ceremony to fit our needs in terms of what we wanted. From the first zoom meeting we met her, we instantly felt a connection! She even went above and beyond to help guide my wedding guests to the ceremony location :-). I would highly recommend Malen for an upcoming wedding ceremony!!
